Mr. Jay Hickerson  
P. O. BOX 4321  
Hamden, Conn. 06514

Dear Jay,

Enclosed, as per your request, are the pages, directly from the THOUSAND OAKS LIBRARY, describing their holdings of discs of the MY FAVORITE HUSBAND programs.

Unfortunately, while dates and cast and writers, etc. are cited....except for the last few programs, there is no information about plot.

I guess half a loaf is better than none.

RE: The NELSON EDDY "log" I sent you earlier, you may want to add one item that was missing. For **1945** add

12/9 "All The THINGS You Are" (Tributeto Jerome Kern, special one hour broadcast with all star cast)

Hope all is well with you and yours.

I have recently made contact with three long time traders who have collections that include many items missing from my own...so I am looking forward to adding some interesting items in the near future if things go well.

Best wishes,

DAVE SIEGEL
